

## Pamela Wilhelm Noterman

September 23, 1955 - May 6, 2014

Pamela Wilhelm Noterman (1955-2014)

Pamela Wilhelm Noterman, born September 23, 1955, passed away peacefully on May 6, 2014 at her home in Sarasota, Florida after a lengthy illness. She was born and raised in Jacksonville, Florida and graduated from Samuel Wolfson High School and subsequently from the University of Florida.

She had a love for animals (especially dogs and horses) and spent many years caring for them as she managed the family ranch, Moss Hill Farms in Melrose, Florida while pursuing her degree. Pam was founder and CEO of Tempus Ltd. watch company, which was very actively involved in NASCAR for over a decade.

After college, Pam married John Noterman, with whom she raised two wonderful children: Annsley Elizabeth Noterman, currently attending medical school in Poznan, Poland; and Jonathan Richard Noterman, graduating from St. Leo University this summer. She was a dedicated wife, mother, and grandmother who cherished her children and was very proud of the young adults they have become. Pam's greatest joy in recent months was traveling to Europe to spend time with her new grandson Jack Grayson Nall (born Sept 17, 2013).

Pam is survived by her husband, John Stewart Noterman; daughter, Annsley Elizabeth Noterman and her family, John D. Nall III and their son, Jack Grayson Nall; son, Jonathan Richard Noterman; father, Richard James Wilhelm, M.D., sister, Lisa Wilhelm Goode; sister, Julie Wilhelm Glaze.

Pam was predeceased by her mother, Velma Rometry Wilhelm and daughter, Ashlyn Marie Noterman.

“ *I have known Pam since she and John met - many, many years ago. The picture featured is how I will always remember her. I have so many fond memories of the times Pam and John and I spent with our many friends. These were some of the best days of my life and I am so glad that she was a part of them. Love to the Family.*
