“ I was sad to learn of Pam's death and express my sympathy to each of you. I remember your family from years ago when you attended many of the Candlelighters functions. May you find peace in knowing people share your loss.

“ I am so sorry for your loss. Pam was a special lady. I have lots of memories running through my mind. I can hear her playing the organ, I can see her walking around with the books on her head to get grace and balance when she walked, I can recall how mad she got at my Dad & Brother when she ate Mt.Oysters then finding out they were not from the sea, staying at Aunt Norma's while she worked at Lincoln, at work at Jacksonville Developmental Center as a tech and being as big as a house because she was PG, to the loving all knowing little girl she always was. She was so happy when she told me she got her favorite teacher & her brother to go on a date. Pam raised a great family she was very proud of. My heart goes out to all of you. My Mom Wanda sends her love from Texas.
