“ *Please accept my deepest sympathies for your loss. The lost of a love one is the most painful experience we have in life. There is a void that cannot be filled. Rest assured the Bible promises we will hold them again and enjoy their smiling faces forever. It is God's purpose that no one dies ever again and everyone live on earth in Paradise. God never wanted anyone to die but to live happy healthy lives forever on earth. We have to exercise faith in his Son, Jesus Christ, to gain these blessings. God gives us his Word so we can gain comfort now and have hope for the future.*

“ My thoughts and prayers are with you John, Jade, and all family and loved ones of P. I only had a short time to get to know her, but I quickly learned why everyone thought so highly of her. The lives she has touched, the love and respect she has earned from countless people, it truly shows how special she was. In all the memories she will live on forever. If a person is measured by what they leave behind, I hope the Quinter family takes some small solace in the great legacy that "P" has left behind.

“ I prayed for God to take care of P, and there's no better place for her to be taken care of than heaven. No more sickness, no more tears. Although those left behind are sad, please know that she is now your guardian angel and is smiling at your every move. I know she loved John & Jade & Heather more than anything. My prayers are with Pam's family. I pray for your comfort and strength. John & Jade, thank you for sharing her with me. She was a blessing in my life and I will always cherish our memories. “P” was a truly amazing woman. She shaped me into the person I am today. She was my coach, confidante, and dear friend. She was my mom when I couldn't go to my own. She taught me the values of life, teamwork, and cherishing the people around me. She was my motivation when I had none, as for many other girls. Her family has been amazing in helping her live out her dreams. She has been so loved and appreciated throughout her time with us and I have the utmost respect for her in every way possible and that will never fade away. Always and Forever..I love you P!! My hero and greatest memory. Rest in Peace.

“ P, I didn't think that the day we met that I'd be so close to you. You became more than my coach, but my second mother, mentor and my hero. I have so many memories of us just cutting up and having a good time. Holding hands, praying we won every competition we went to, staying up until the wee hours of the night in endless conversations. You were the first person I came out to, I trusted you with all of my secrets. Thanks for teaching me loyalty, strength, and dedication. Thanks for giving me a second family that I love very much! You mean the world and beyond to me and I miss you so much! Love you, "B"
