“ *I must add this P.S. to my previous message: Pat was the person who first introduced me to horehound candy. I did not like it, and made a bad face before spitting it out. Pat said that look was worth a million chuckles! We both laughed! Loved her hearty laughter. Sandi Pound.*

“ My sincere condolences to all members of Pat's fine family. I knew her from Lehigh Acres Senior Center bridge games in years past, plus she was such a talented seamstress and crafts person. Her high humor quotient was quite evident to all who knew Pat. She was quite a lady and will be missed. God bless you with happy remembrances of her, as I also have. With sympathy, Sandi Pound.

“ Your Mother looms large in my memory of Suburban. She was a wonderful nurse, very compassionate, and caring My late husband, Dr. Robert W. Driscoll thought she was terrific and they had a wonderful professional relationship. They also enjoyed some good laughs. You and she are in my thoughts and prayers. Sincerely, Sonya Driscoll
