“ *Ken, Taylor & Jordan,  
We were so sorry to hear of Patricia's passing. I believe that to her it is gain, but to those left behind, it is our loss. We only knew Patricia about 3 years, but it felt like she was a friend who had ALWAYS been in our lives. In that short amount of time she held a place in our hearts that will always be hers. She was a uniquely special, one-of-a kind lady that truly loved. She has been missed by us for quite some time since she quit coming to Brooksville. I just hope when I leave this earth that someone will feel about me the way we felt about her. From our hearts, Hernando Jet Center, Holly, Robert & Jeri*
