“ *I feel so lucky that I had the opportunity to meet her and spend a few days with her. She was so kind and had a way of making me feel special and taken care when I was with her. Pat was a wonderful person and I will always cherish the short time I spent with her. Pat was so much fun from her ham sandwiches to trying to set up her eltronics, so many laughs. I'm so sorry for your loss.*

“ I worked with your mom for many years at Page. She was a very kind and sweet lady, always ready to help, and so caring about her coworkers and elderly patients. She loved her children and grandchildren so much, and was proud of all of you. She will always be remembered.

My deepest sympathies. Judy Wilson

“ Like everyone, I was shocked & sorry to hear that Pat died. My husband has been a resident at Page Rehab for 3 years. Pat was so kind & helpful to him & me. When she thought I was ill or trying to do too much, she would caution me to take care of myself. I will miss her.
