“ *Patty was a unique woman with a zest for life that could light up a room. She was like a sister to me, incomparable. Patty loved creating beauty through her knitting needles, through the strings of the harp, and through her dramatic flair for decorating her home and in the clothing she wore, from her gorgeous hats down to her fingertips and toes! She will be dearly missed by many people, including me... God speed Patty! We love you and thank you for touching our lives with your soul. Peace be with you. Sarah*
