“ *Paul*
You should have had so many years,
To watch your life unfold,
And in the mist of this,
Watch me, your Mum grow old!
I hope you?re watching from above,
At the daily tasks we do,
And let there be no doubt at all, I miss you Mom and Nita to.
This came as a surprise to me, to here of your passing; I am still
having a hard time getting over Mom passing and now you,
Paul I will Miss all of you, you are with Mom and Nita now, I hope all
of you are at peace.
Tell Mom I love her and I am thinking of her, and someday I hope to
join her.

“ Paul,
I just heard this tragic news, I can't believe you are gone. I am praying for you, Maggie, and the rest of the family. Some of my fondest memories growing up were with Angelo at your house in Lynn. You and Maggie opened your doors to me and so many of our friends, and I am so grateful for that. Thank you for being such a great person. Rest in peace my friend, and watch over us.
