“ *You are forever in my heart and will be forever missed. Thank you for being a love in a lifetime.*

“ *Tom and I will miss him so much we talked and text frequently. Tom has many good memories of the summer on Boshkung Lake in Ontario and others in Florida...as for me I never met him but got to know him with phone calls and texts. We loved him a piece of our hearts are with him Lissa*

“ *Please accept our deepest sympathies over the loss of Paul. We pray that God will provide the family with the strength needed to endure this difficult time. As one faithful man said, I have hope toward God, that there is going to be a resurrection of both the righteous and the unrighteous. May the Family cherish these words and find comfort in this wonderful hope from God. jworg*
