“ Dearest Randy, Chris, Family and Friends,

My heart is saddened to know that I can never see my dear, funny and beautiful friend Pinky again. Her passing is such a loss to me and so many lives that she touched throughout her lifetime. She was one of the greatest friends I have ever had.

I met Pinky in Kingman, AZ in 1987-88. Pinky, Randy and Chris had moved into the house across the street from us. The minute we met them, we were instantly best friends. All we had were each other, as there wasn't family there, so we became family. I think everyone who knew her, felt that way about her. We spent every holiday together, either at our home or theirs. We baked all of our Christmas cookies together every year, and we were always cooking in the kitchen. She taught me how to cook Thai food and we shared so many recipes! We made many trips to Las Vegas to go shopping and get away from the small town, and we had such fun together! Our families would play cards or board games on many a weekend until the wee hours of the morning, had endless barbecues, babysit each other's kids. We had each other's back and were always there for each other.

Pinky had a heart as big as the world! She and Randy made their home a place where everyone was welcome and felt like they belonged. They were the couple everyone wanted to be like. They were the King and Queen of (l o v e) bantering! No matter what they were bantering about, you knew that they loved each other more than anything!

The distance between us, and life, got in the way of doing the things we used to do together, and for that I will always regret. Pinky was a keeper, if you were fortunate enough to be a part of her life. She was a straight shooter, always spoke the truth, had an outrageous sense of humor, and was always there extending her hand.

Rest in peace my sweet beautiful friend Pinky, I love you and will

miss you! Thank you for all of the good times we shared!

My love and deepest sympathy to you all,

Karin (Albanese) Tomanio

“ *I can't believe you are gone 😞 I met Pinky in high school. We lost touch because my family had to leave the Ethiopia without warning. After 34 years we found each other on Facebook. She asked for my number, I was in the middle of canning pickles and I remember saying give me about 30 minutes before you call. Well the phone rang and the first thing she said was “f*^ those pickles “ 🤔. We talked for over an hour and the next week I was on a plane to Florida to see her. We never missed a beat. It was like we were still in high school and she had me belly laughing just like she used to. I thank the good lord we had FaceTimed a couple times in the last 3 weeks 🤔 The family has gained an angel 😇 And I will be seeing you in my dreams 😴 I love you my dear friend 🥰*

I bought the house next door to Pinky, Randy and Chris. After moving in and being there a little while, Chris nicknamed me "Flamer" and it stuck. We had many meals together and fun times that will always be remembered. Had good times after softball games that Chris and I played, and Pinky always had us fed with her wonderful cooking!!! Rest in Peace Pinky, from your close friend "Flamer"!!!
