“ *Dear Lexi & Ben, I was so saddened to hear of Peter's passing. I had the opportunity to get to know Peter while working with him at Greenwich Street Advisors and have the highest respect for his intelligence and professionalism. I will miss seeing him at conferences and our occasional conversations about the markets, industry and family. He was so proud of you and would light up when telling me about a vacation, regatta success, or just what you were up to as a family. Although Pete had only met my daughter, he remembered the names of all three of my children, and would always ask about each of them! My thoughts and prayers are with you both.*

“ My deepest condolences to the entire Demirali family. I will always remember Peter as the grill master at the regattas and cheering on the rowing team. He will be missed.

“ Dear Lexi and Ben,

Jon, Stephanie and I send our heartfelt condolences to you. Peter was such a genuinely good guy. We enjoyed his friendship during our years of absurdly early, ridiculously cold regattas. He was one of the good dads, proud of his son and supportive of his pursuits. May cherished family memories help you through this sad time. Love you! Susan
