meetings. As many have mentioned, PJ was soft-spoken, always with a smile and
a good mood. We had many good conversations.*

“ Dear Uncle Philip, Aunt Linda and Denorah, I am so heartbroken for your loss. Jay will always be my wonderfully sweet cousin PJ in my memory. My parents have kept me up with his courage and beautiful attitude over the years. I don't know how to say the impossible, that I wish we all could have enjoyed his light for many more years.

Jay, PJ, may you rest in peace, and know that you have left so many loving memories with your family and friends.

“ To the Rizzo Family,
Since I'm not on Facebook n moved far from Florida many years ago, Pj and I lost contact...and I just got word of terrible loss earlier today...

He and I were truly close friends in high school. He was an amazing friend then. I admired him. He was so athletic, good looking, kind and always had this sweet almost soft spoken quality about him that made you know his friendship was truly genuine.

Overtime, he is one person I have always wanted to reconnect with after all these years... It brings me joy to hear that he was happily married and found that kind of love. Also, knowing that he stayed close to home and always had his family near by as he struggled with health issues.

My sincere condolences to all PJ's friends and family.

“ To a dear friend,
PJ, you were one of those people who you could never forget. There was something that people were drawn to you. You have a long list of qualities that most people don't have. Qualities like.... CARING-about the well being of everyone around you including children and animals, especially the strays.... DETERMINATION-you put such hard work into everything you put your mind to.... STRONG- you physically were so strong even in arm wrestling and mentally even stronger.... GENTLE- just so sweet and kind all the way around even to those that were strangers.... HUMBLE-in a shy way being paid a compliment you would say thank you with out ever being cocky..... POSITIVE- always encouraging others and you had the best attitude about everything.... COMICAL- your love for Adam Sandler movies equals having a great sense of humor! Always playing pranks!.... INTEGRITY-you absolutely have it and that's hard to find in people these days..... LOYAL-to your family and faithful to your wife..... the list can go on and on and these are just to name a few. I don't think there is a single person out there that knows you that in some way you have impacted their lives one way or another. I have learned much from you and I am grateful to have known you. Thank you for being YOU. You will be greatly missed by the masses.

To Mommacitah and Papa Phil,
you were so blessed to have a beautiful child such as PJ. Words cant even describe my sorrow for you both. You both did a wonderful job raising PJ and because of you his legacy will live forever in our hearts. I had always admired the love and closeness the three of you had and it taught me how to have that type of family as well and I thank you all for that. May your fond memories of PJ help you heal over time. Thank you for sharing PJ to the world. Love you both!

Dinnorah,
I was so glad to have met and gotten to know you. You are such a beautiful person. You were right by his side every moment doting and loving and that is amazing! You both were so lucky to have found each other and be in love. I think it was wonderful to see PJ so happy with you and he was proud of that. I was honored to be a part of your lives. Words escape me to tell you how sorry I am for your loss. I am here for you if you need me.

We love you PJ!! xoxoxoxo,

“ If had to describe P.J, Rizzo by using single words they would be:

Warrior!

Genuine!

Inspiring!

Loyalty!

Hospitality!

Respected!

funny!

And believe it or not, a lucky man, to have found a wife like Dinorah and been born to wonderful parents Phil & Linda who where there for him his whole life and by his side until he left us.

His life really became complete when he met his loving wife, Dinorah. Not everyone gets to experience that kind of love and happiness, and I am so glad that P.J. did.
