“ Lynn & Chase,
My heart pours out to you both as you face the loss of your husband/ father.
You know I counted Phil as a true friend, and I will certainly cherish his memory.
Please know that I'm thinking of you, and ready answer the call should you need anything.
“ I'm really going to miss you Philly Beef 'n Cheese “ Silly Billy

“ Lynno, our hearts are broken for you and will always be here for you in heart, friendship and support. I was honored to be in your wedding to witness your love 30 years ago. Thank you also for those classy black and white bridesmaids dresses! I'm so sorry I made you wear bubble gum pink dresses 💕 Kenny loggins sends his love and a personal serenade to our Lynno “Please, celebrate me home” I will always be here for you with a pound of M&Ms and a bottle of wine!! I love you dearly!!
