“ There are those we meet in life that will stay with us forever and you Mike will forever be in my heart.

Mike you always said that "we understood each other"..I think "we accepted each other for who we are". That's the true essence of a Friend.

Rest in peace my Friend til we meet again Love you

“ Mike, Mike, Mike, you had to go & leave me didn't you? I know this much, that in the year & 1/2 we had, we bonded deeply. We were Marine brothers, our bond was total, to the point that each of us would die to save the other, as all Marines do.

I had great fun knowing you and it was a great honor to be your friend.

*Marines never leave a brother Marine behind...so Mike, SEMPER FI, and I'll see you at the end of the Valley.
Love you Man.*

“Daddy I have always loved you! I have always missed you! I wish we were not so far apart. I know you remembered me waiting at the door for you when you would come home from work. Our life has been hard and unforeseen circumstances got in the way. I am grateful you got to see your the oldest grandson years ago. I am happy that we conversed over the phone a lot. I wish that I could have hugged you again. You told me once when you were leaving that I had big 'crocodile tears'in my eyes. I feel like this again. I know I will see you in heaven because I know you are with the Lord Jesus. I know you you are with Nano and Papa now. I know you're at peace and you are not in pain. I love you Daddy and always have.
