Your love has forever changed me
You took part of my heart with you when you passed on
And I take comfort in the knowledge that your once again with your

Your best friend, your soulmate, Lois*

“ *It broke my heart to lose you
But you didn't go alone
Part of me went with you
Wherever you May roam

I could never forget someone who gave me so much to remember

I'll be with you again soon enough... love Lois*
