SM

“ *I'm so shocked and saddened to learn about Pricilla. I was late in mailing her Christmas card and have it here to mail. She was a very special lady and I've loved her since I was a little girl and babysat all her children through the years. I so enjoyed a conversation I had with her a couple years ago. Priscilla, there is a special place in Heaven for her and she left behind many fond memories. Love, Sally*
