“ *You fell into a beautiful sleep when you awoken you'll be sitting on the right side of Jesus who first loved you. He looked down in the garden saw your suffering and said to the angels "It's time to bring her home to her family." The angels spread their beautiful wings and took you home. They took you home with all the laughing, singing, and shouting "What a glorious day this is for you!" My love for you has never waived, but GOD loves you best.*

“ Hey Big Sis. I'm glad you got the chance to meet your neice and nephews. Most of all, I'm thankful that I had the chance to see you while you were well. We are all going to miss you. But we will see you again. And to the rest of my family, lets keep it moving. Queen would want it that way. She's alright now and looking down saying "BINGO! Now that's my family". To each and every member of my family, I'm always a phone call away.

Love Donnie Ray Fairley Sr., Donnie Ray Fairley Jr., Deray Zian Fairley, and Denashia Ann Fairley.
