“ *Praying for your and yours. You have my deepest sympathy. I had the pleasure of working with Quentin if only for such a short time it was still memorable. He will be greatly missed.*

“ *I was told this morning; I am so incredibly sorry for your loss. Words can no way express how bad I feel for you and your family. May God have his healing hand over you and your family during this time of such great pain and loss. In Jesus' Name, Amen.*

“ Sharon and Mike, I was so saddened to hear the news about Quentin, please accept my deepest condolences. I will remember all the fun time he and Ryan had and all the times I had to kick him out of the house...seemed like those two were never apart. You are all in my thoughts and prayers.
