

Randall James Burns

August 12, 1958 - October 14, 2021

Randall James Burns 63, of Lehigh Acres, passed away on October 14, 2021, after a tragic car accident. Randy was born on August 12, 1958, to Robert and Priscilla Burns in Jamestown, New York, where he graduated from Southwestern High School in 1976. After he moved to Florida, he worked in the retail environment for many years. Many probably knew him from owning Lehigh Discount Furniture. In 2008, he started what turned into a successful home building and real estate business. Randy was also passionate about the Buffalo Bills football team. He could often be found cruising and traveling the Caribbean Basin and spending time with his grandchildren on vacations and at home. He was full of life and always had a smile on his face. He wanted everyone to enjoy and live life to the fullest. Anyone who knew Randy, knew that he was the most loving husband, father and papa a family could ask for. Randy was preceded in death by his parents and son Joseph Beams. He is survived by his wife Christine, son Bret, daughter Rachelle and husband Danny Watkins, son Tyler and fiancé Victoria Mastropola, brother Tim and companion Theresa , sister Bethanne and Brian Hilton, granddaughters Ashlynn and Adelynn Watkins, grandson Joey Beams, and many nieces, nephews, and cousins. There will be a celebration of life on October 24th at 5:00 pm held at the Majestic Golf Club in Lehigh Acres. We are requesting reggae themed shirts, football attire or something happy that makes you think of Randy. In lieu of flowers, the family requests that donations be made to Hope Hospice in Randall Burns' name. Website: donate.hopehcs.org

“ *Randy was my next door neighbor growing up in New York. I have fond memories of the Burns family, particularly Randy when on occasion I received a call from him out of the blue, a blast from the past and a fellow Floridian. I stayed in touch on FB and so enjoyed seeing all the trips he and his beautiful wife made and all the family pictures. God speed Randy, you will be missed. ❤️*

“ I have way to many memories to mention here as I have known this gentle Man since the late 80's. We have grown to be the best of friends as not only did the weekday lunches but the very frequent dinners together. We have taken turns planning the vacations we would go on. Review the Bills schedule to decide which games we would attend. We actually went to the Bill's Superbowl in Atlanta 1994. I considered you my BEST Friend who would do anything for me, my wife or my kids. I am really going to miss you very much ! I will do my very best to watch over your loved ones as I know you would do the same for me. Love ya Brother.....

“ Jamie and I agree he's one of the most laid back person we knew. A generous and In love with his family kind of man. He will be missed but always remembered. Our deepest condolences to the family.
