“ Dearest Dad, My heart aches from sadness of losing you. You have always been strength and wisdom when I was weak and confused ..you gave me unconditional love and support and were our rock in the family. You were a strong moral and religious family man who sacrificed so much to give us a good life. I have so many wonderful memories to cherish and share with my children. I will miss you so much as they will too. I thank GOD for being born to wonderful parents who loved me and taught me morals and values to pass onto my children and showed me what a wonderful loving and caring marriage you had. Something I have from your example. Thank you Dad for just being you and being my Dad. I will love you Always! Someday we will all be together again, Until then I know you will be my Guardian Angel watching over us. Ill will keep my promise to you. Love Always and Forever Crista xo

#### *FATHER A LIGHT*

*A light is from our household gone,  
a voice we loved is stilled,  
a place is vacant in our home,  
which never can be filled.  
God gave us a beautiful father,  
a father who never grew old,  
you were always there  
with a helping hand,  
help us now to accept His plan.  
We miss you now, our hearts are sore,  
as time goes by, we miss you more.  
Your loving smile, your gentle face,  
no one can take our ?Father?s Place.?  
May the choirs of the angels receive  
you and may you have rest  
and peace everlasting.  
Amen.*

“ Ray was a dear friend and we mourn his passing. We first met Ray and Ann when they and their then young family summered next to us on Damariscotta Lake in Maine. They later introduced us to Florida and have been close pals ever since. We'll miss you Ray.

“ Please accept my condolences. I was a student of Mr. Cosentino's at Ridge Junior High in 1962. I spent many hours listening to the crystal radio I built in his class and I have fond memories of his efforts to teach us about electricity and metal working.
