“ Dear Dad,
I will never forget the last few months we shared. You were so full of love and kindness. I learned a lot from you not only then, but all my growing up years. We talked about a lot of things that I didn't know about you. I miss them little talks. Your life was finally whole. I hope I follow in your footsteps and make you proud of me. Most of all, I will miss our little saying every night before bedtime. I LOVE YOU DAD! you would say ME TOO! then you would say I love all my kids.
Rest In Peace Dad
Your loving daughter Linda
