“ *I'm hoping this is not her... I was a student at Tampa Bay Beauty Institute in '04-'05 and I believe that she was one of my clients that used to come and see me. Very graceful and still very beautiful, even aging. Used to wear her hair a reddish color. Very elegant, slim... beautiful slight foreign accent. German maybe. She used to come in looking for me after I graduated, but I never got the chance to see her again.... I have always thought of her and often wondered how she was... I'm truly hoping this is not the Renate that I have been hoping to one day re-meet. Nevertheless, sigh, if it is I know she was wonderful... one of the most graceful women I have ever had the pleasure of meeting and will most certainly never forget.... And if by chance this is you, lovely woman, may you sleep with the angels and they keep you company and comfort you forever more.*

Thank you for the kind words. Yes, you are referring to my Mom. I was thinking about her and if there were such kind words such as these left for her.

You described her well. I miss her more than words can say. She left this world way too soon.
