“ *Richard (Dick) and I spent one summer as camp counselors at a camp in the woods of Vermont and became good friends from that experience. He was a kind, funny, smart and caring person. I am sorry that we lost touch over the years but have thought of him often. He will always be a part of my growing up years and even though I have not had contact with him in such a long time, I will miss him. RIP, Dickie Cram.*

“ *Although I have not seen Dick since MUHS graduation in 1965, I have fond memories of him. He was so smart with a wicked sense of humor and all that curly red hair. He is one person with whom I would have liked to reconnect all these many years later. Rest in Peace, Dick.*

“ *So sorry to learn about Dick's passing. We were best friends for a number of years in Middlebury. I have thought of him often, and wish we had stayed in touch...Larry Quesnel*
