“ *You will be sadly missed Rick. Will remember our good times together. Ron and Madeline Miko.*

“ *We only met Rick a couple years ago shortly after we we became snowbirds at Horizon Village we very quickly became friends as most car people do, we both owned older GM muscle cars so we had much in common. Rick enjoyed our Wednesday breakfast outing at Mel's with the gang, life was good. Rest in peace my friend. You will be missed.*

*Love,

Like everyone else, I liked Rick as soon as I met him. He was always excited to listen while I shared stories with him and with total enthusiasm he would share his. We shared the love for nice cars, among other things. Rick now rests in peace, and I feel blessed for having known him. He will be missed.
