“ Dick my friend.. My heart is broken to learn of your passing. You have been a true friend since the first day we met while we both were taking piano lessons in Fort Myers, Florida. Teaching you how to play the Electric Guitar & you singing Country Songs in your very own style made me laugh til it hurt... You meant so much to me as a friend & I will miss our daily conversations.. You will always be in my thoughts & heart my friend... To your wife & family I thank you for letting me know this man & to be able to call him my friend....Remember Dick ...You were Country when Country wasn't Cool... God Bless You Buddy...Rest in Peace.... Your friend,... Alex Alexandro - Fort Myers Fl.
