

Richard Scott Williamson

April 9, 1961 - March 20, 2019

Richard Scott Williamson aka: Scotty

Lived in Cape Coral Fl, with his wife Jennifer, Scotty passed away at Health Park Medical Center in Ft, Myers Fl on March 20, 2019. He died from a Brain hemorrhage very suddenly. Scotty was 57 years old

Born April 9, 1961 in Jacksonville Fl.

We lost an incredible man, Scotty worked 40 years in road construction, building Florida's bigger, better and Safer highways. He was currently employed by Preferred Materials as a Supervisor. Scotty was the kind of man that everyone loved. His favorite hobby was playing his NASCAR games on his PlayStation and followed NASCAR Racing and going deep sea or bass fishing with his best friend James Heimer "Jimmy" He also enjoyed boating and riding his Harley, he loved the sound of those bikes roaring down the road "louder the better". He was just full of life. There was that realness about him "this is who I'm, take it or leave it" that drew people to him. He was the life of all the parties, he loved making people happy, and laughing at his jokes, always creating a good time. His greatest achievements was his children, making sure all his children successfully achieved all their goals and most importantly be healthy and happy. His pride and joys were his 8 grandchildren, he loved them fearlessly. Why such a beautiful soul was taken from us WAY to soon, so suddenly I'll never understand. Scotty would want his family and friends to celebrate his life and remember all the beautiful years we had with

him.

Scotty was an organ donor so even in his death he wanted nothing but to make people happy and healthy. Our huge loss/tragedy will bring hope and life for another someone/families. That's just who he was.
