“ You never said I'm leaving, you never said good-bye. You were gone before I knew it, and only God knew why. A million times we've needed you, a million times we've cried. If love alone could've saved you, you never would have died. In life we loved you dearly, in death we love you still. In our hearts you hold a place, no one else will ever fill. It broke our hearts to lose you, But you didn't go alone. Part of us went with you the day God took you home. I will miss you my friend. Rest in peace!
