“ *I am sad with this news.*

Rita was my manager at the National Easter Seal Society. Rita's entrepreneurial spirit was inspiring. She was a trail blazer. It was fun working there. She always extended a helping hand. I will miss her.

To Richard, Katie & Brendon, may you have the strength to cope with the loss and cherish life long memories together.

Affectionately, Mrunal Deo

“ *Rita Glass, you will be truly missed. I lost my job and thought there was no hope. You picked me up and built me into the successful real estate broker I am today. Thank you so much. Rest peacefully.*
