“ *I remember the day Alan and Bob came to Bingo and sat with me and my Sister. They had never played and asked if we could help them. We had a lot of laughs at Tuesday Bingo. And we will miss him and that kindness and wonderful smile.*

*“ I loved Robert. He was one of my favorite characters. :)
We had a lot in common: both Navy veterans, both riders.
He rode motorcycles. I rode bicycles.
But, we both shared a love of how it feels to ride...
And, we both had a great appreciation for nature and its beauty.
I am going to miss him very much...*

*I'll never ride again without thinking of you, Brother.
Rest in Peace.*

Your Friend, Jim Leute

“ I remember Uncle Alan at family BBQ's and the time he brought alligator back from Florida so we could all try it. He was always fun and teased us kids. I can remember his laugh too. All the long motorcycle rides the family took together and the time he let me ride the yellow moped. Alan will be missed and everyone is in my prayers during this difficult time.
