“ *Robert (Bob) Fletcher May be gone, but never forgotten. He was, by far, the most honest, hardworking, caring individual I have known during this lifetime. I sincerely hope he led a happy, loving fun-filled life that will always remind those who loved him of who he was. I am simply a fortunate person who was blessed to share a piece of my life with him.*

What you saw, was what you got. Rest well, dear soul.
