“ *I miss you so much already Bob but I know you are in a better place. It makes me smile to think about so many great times I had with you and all the things you taught me. Fishing on Friday nights was such a highlight of my time in Florida but I also enjoyed tiling floors, stripping wire, our road trip to the keys and just watching NCIS 😊 Thank you also for taking such good care of my mom. We will all miss you but are happy that we were blessed by having you in our lives.*

“ *You always treated me with kindness and graciousness Bob. I am so thankful I had you for my father-in-law. You will be sadly missed by all. You fought the good fight and I pray you are at peace now. Save us all a place up there for "tea" time. And "tee" time.*
