“ *It was a joy to work for Bob during his time in England and to remain in touch over so many years. A wonderful short break in Florida with my husband and friends left treasured memories of a very kind, happy and united Gress family and I send my love and thoughts to you all on your loss of such an inspirational, caring and generous man. “ *I have not seen Uncle Bob (as I knew him) for many, many years, but I have very fond memories of him, his wife, and their children. One of those memories involves putting on a play with Pinocchio marionettes when we were young children at their home in Bradford, PA. Easter dinners at his and his brother Ron's mom's home in Donora, PA were also very special times for me. These memories are pleasant childhood memories, I don't have many of them, but Uncle Bob and his family always made our times together very special. I thank God for putting Uncle Bob on this earth and pray for peace to find his family.*
