“ *I have known Rob since he and my son Alex were best friends from 6 th grade. He spent so much time with us in our home in Chester and being an amazing friend to Alex. My whole family loved him so and he became a big part of our family. He helped me remove wall paper for hours. He stuck out the grueling job with me. He made us all laugh and we loved having him around. Last year he stood next to my son and daughter-in-law in there wedding. I was so proud to see someone so special to Alex and Ashley next to them. My heart is broken for such a loss of life. I will never forget him and the brightness he brought into this world. Rest In Peace Rob Harding.*
