“ *Bob, I haven't seen you in a long time, but I still remember your kindness and friendship growing up in Wavecrest, by not telling my father when I got in trouble, and as you know that was quite often, it must have been that Far Rockaway Ocean air that made me do it, as your family as many fond memories of you, so do I, Christmas parties in the carriage room club house, say hello to my father for me..*
RIP

“ We share your sorrow for the loss of this truly wonderful man. Although we did not know him well, his presence and his love of life immediately gave him a very special place in our hearts. He will be sorely missed.
