“ *I enjoyed the 4 yrs together with Bob in the U.S. Navy. I have had contact with Bob over the years, and with him beating me out of this life, I see him with that laugh expression he would give me when he felt, or did something to out do me. "I will see you again Bob"; and we will share our new adventure again. Your old VP-49, Cube mate, Shipmate, Dave J*

“ *Dearest Marilyn and family, my love to you all. I've known Bob since he was in high school. I am extremely sorry to hear of his passing. It's a great loss. Always keep in mind that he is in a better place with the Lord, and he is not suffering any more. I pray that God will watch over you all. Love, Pat Wild*
