“ I think I've been shoring in shock for this past few days just completely not believing you're really gone. Thank you for being a friend during a really hard time in my life. You were my karaoke buddy and got me out on that mic when my heart wanted to do anything else besides sing. You were an ear when I was trying to figure out my life after loss and I will never forget that underneath some of the sarcasm was a smile and tender heart that reminded me not to be too sad. You loved your boys with everything you had and I will never forget you. Rest in Peace dear friend until we see you again. .

“ Where do I begin? My heart first goes out to his amazing sons, Josh & Justin. Boys your dad loved you so much, he talked about you two all the time, he would have done anything for you both. I'm so sorry for your loss. Rob is one of the best men I have even known. He was there for me during my darkest and hardest days. I will never be able to thank him enough for everything he has done for me and my two children. I can't tell you how many times he has broken into my car to retrieve the keys left inside. Lol. He always made me smile and made my darker days okay. I will always have a place in my heart for him. Xoxo I love you Rob !
