“ *Dear Kim and family, was sadden to read of Bob's death. What a great fellow and father he was. I know that you will miss him. Mike Newland was very fond of him (my late husband), Art Davis and I married last August and Art knew him as a loyal Mariner. I will always remember our trip to Hawaii with both of nhem. I often think about his fall down the mountain stair path and he did not want us to tell Ruth. Ruth told me many months later that he was still black and blue from the fall. Don't know how he managed not to have any broken bones from the way he tumbled down that path. Sure scared me. Sending our sympathies to you and the family. You are in our prayers. Sincerely, Jane and Art*
