“ Sweeney,

I still don't go a day without remembering all the good times we had working together at Guitar Center together and what a great spirit you had. You always knew how to make me laugh and brighten up my day even if it was at my own expense :)... You were loved by so many will be greatly missed. So happy I had the privilege of getting to know you.

“ A True Brother, Robby was not only original, talented, and hilarious but most importantly real. There was nothing fake about Robby. He was true to himself and honest with his peers. I am grateful for the opportunity to have shared our passion for metal collectively. You will be missed Roberto. HEEEP!!!
