“ *Robin was one of my very best friends, she was so caring and loving, her friendship was such a blessing in my life. I had only been given the privilege to know Robin since 2016, I wish it could have been many many more years. She was so true to herself and others, selfless, and considerate, always there for myself and my family, offering advice and a shoulder to lean on. She will truly and sadly be missed, and never, ever forgotten. My prayers go out to her children and the rest of her family, she loved you all very much. Things just won't be the same without you.. I will miss you and love you my friend, may you rest in heavenly peace* ❤️
