“ *To Debbie & Dennis , I'm so very sorry for your loss of your Dad, He was a very good Man and lived a very happy life. I wish that I could be there to give both of you a nice strong hug. It's always a tough time to go thru a loss of a loved one. I know if my Mom was strong enough that we would get her down there to say goodbye to her brother, but I know that you know about her medical issues. I'm sad to think that in some situations you may never get to say goodbye to your own brothers or sisters. I know you will find strength to help each other thru this tough time. Take good care of yourselves and your families. We love you up here and we've missed you for a long time. Love always Steve, Tom, Ray, Shirley, Dave, Mary Jane, and Lois Tallman Walsh.*
