Rose Marie Ksiazek (née Nowakowski), age 87, of North Port, Florida, passed away peacefully on July 29, 2022, in Venice, Florida. She was preceded in death by her parents Regina and Anthony and brothers Ray and Bob. She is survived by her husband Aloysius, daughters Cindy (Paul) Korpas, Pam (Paul) Raynor, and Jennifer (Michael Jr.) Mizanin, grandchildren Andrew (Stacy) Raynor, Adam (Yoshika) Raynor, Alexa (Eren) Dogruyol, Aaron Raynor, Alex Raynor, Alyson Mizanin, Michael Mizanin III, Dylan Mizanin, and Jenna Mizanin, and great-grandchildren Noah Raynor, Mika Raynor, Eli Raynor, and Jacob Raynor.

Rose's strong-minded, passionate, and caring nature will be remembered by all who knew and loved her. She adored baking, cooking, crocheting, decorating, and playing with Bunco Club. Above all, she loved her family. Her 67-year marriage, work as a housewife, and deep-seated fondness for her nine grandchildren were testaments to her love and devotion. To know Rose was to love her and all the jokes, smiles, and meaningful conversations she offered. She lives on in the countless stories and laughs she shared with those who were lucky enough to call her Mom, Nana, wife, or friend.

“ *Only hearing about the passing of "Aunty Rosie" just now. She and my mother were close friends growing up. She was my mother's bridesmaid. I spent many happy times as a child with "Aunty Rosie & Uncle Al" . A lovely lady. Blessings to your family. Sharon Maffei*

“ *My prayers are with AL and the entire family. I was so saddened to hear of Rose's passing. In my heart, I always held on to the thought that she would outlive us all. She just had that strong spirit about her. I knew her through our neighborhood on Dekker, where all the moms became your mom. Rose went above and beyond that, always watching out for everyone and giving sage advice (mostly about boyfriends) to my sisters. Rose had such a strong attitude and personality, that, as I get older, I appreciate more. I am sad that she is gone, but happy that she is in heaven with her loved ones.*

“Roses, I've typed and retype what I want to say here three times already. I'm trying to pick one specific memory and I can't seem to just put one. You were a tough cookie, never wanted us on your lawn or making skid marks on the sidewalk with our bikes, (especially Brandon and Steven). You put us in our place, but I know that was your way of showing us that you cared and I never doubted it for a second. Thanks for some wonderful childhood memories.

“Roses was a big part of my childhood and adulthood. She would come out and yell at me to put shoes on when I'd mow the lawn. Of course I always did :) She'd come and sit on the back porch and have coffee with my mom. We'd play cards some nights (she cheated a few times but it was Roses so we let her :) I always loved being with Roses and I was blessed to have her in my life. I was sad to hear of her passing and I will always remember her. She will be greatly missed.

My deepest condolences to you all. Roses was one of a kind. I have so many beautiful memories of her. One of my favorites was when we were playing Shanghai Rummy, she had one too many buys! She was always so much fun! I truly will miss her.

Lifting you all up in my prayers during this difficult time.
