“ *To The Family of Russell Rowe. You don't know me but I'm Russell's oldest Daughter Greta ,I'm sorry for your loss and I know I'm very late in sending this ,but I was wondering about Health Problems ,and also what was the cause of his Death .Ive been a little scared I didn't want to bother anyone . The reason I'm asking this is because I have kids and grandkids and for them and myself I'm asking . You could send them to my email at bretandgreta@gmail.com. And if you get this I'm saying Thank You Very Much ,,Greta*

“ My recollections of Russell go way back to prior to his marriage to Shirley. I rode with he and Alice to Ft. Campbell, KY to visit my brother Albert shortly after Al & Alice were married Dec. 29, 1949. And I have only good memories of every contact since!!! Just last 4th we joined them with others at their lake for a celebration and we all did a lot of laughing--as always happened when Russ was on site!! (Pictures below).

Treasure your memories.....

“ We will always remember your father and mother. They always were at our block parties and really got to know the neighbors so well. He had such a good time talking about the pig farm to all who would listen, which was many. Our thoughts are with you and your Mom. Our prayers will also continue for all the help you will need going forward. Cherri and Ed Tiers
