“ *Dear Vicki and Pam and families, This is the only address that I have for you. I was very sorry to hear of the passing of your mother and my first cousin, Genevieve. I will always remember all the fun we had at the family reunions. I am so glad that I was able to see you both and your mother when you came up to LaVonne and Gale's a few years back. This is one of those times when I wish we lived nearer to each other. Please know that my heartfelt sympathy and prayers are with you at this sad time. Love, Debby*

“ Vicki and Pam, You are in my prayers. I know you will miss your mom as you have missed your dad. They were special people. I have fond memories of both of them. I learned so much from your dad in algebra. I once told him that he was the reason I placed out of math in college. When I became a teacher at ROWVA and would see him around town, he asked me to call him Bill. I just couldn't do it. He was always Mr. Adams. Your mom was always so friendly and wanted to know what was going on with my kids. Her smile is something I will always remember as she listened to me tell her what was going on in my life. I know you have many, many good memories of them both.
