“ *Ryan,*

Thank you for being such a great friend to me. We were basically sisters. Looking back on our times together, I was very lucky to have you as my friend. We had so many great memories with each other the last few years. I remember one Easter we were living in Sarasota and I needed something to eat and you said to me as long as I can drive to you you would pay for our meal because I had no money and neither did you. We went to Subway that Easter evening and shared a sub together on the last 7 dollars you had. You were always so loving and kindhearted towards me and others, you would do anything to help someone. I cherish that in our friendship. I'm going to miss you Sis and I can't wait to see you again someday. Love Always, Jordan

“ Ryan had a truly loving heart, and was a blessing to be around. He was there for me when no one else was, and there for my fiancé too... His contagious laughter echos and lives on in my heart. He will never be forgotten. My thoughts and prayers for peace are with his family...
