“ My prayer go out to you and your family during this time of bereavement. Ryan had a great smile and loved to come sit in my "special" chair to come talk to me daily. I was his research teacher at ALC West. He would regularly say "guess what Miss" and I would say "what happened now Ryan". He has so many different stories, I couldn't keep up? He was full of life and will be dearly missed. May God bless you and your family immensely and know that his memory will live forever in the hearts of all who knew him and that he is resting peacefully.

Sincerely,

Ms. Elizabeth Oyola

“ Ryan,
You will be sadly missed but never forgot in our hearts and many others as well..Since the day we met you when you were a baby you touch our hearts with something special and that something special was you and knowing you..We will always remember the great memories of you we had like the time we all went camping and you got a bee in your fruit punch and drank it with out knowing so you got stung,another one was when you were younger and you were eating celery and choked on it and Uncle Jay had to get it out of your throat,we remember you taking tubs at our house and walking around on your tippy toes with that cute lovable smile,never forget when you went with us to the Christmas in Warren thing and you and Carin made tree ornaments.We will hold you close within our hearts and there you will remain, to walk with us throughout our lives, until we meet again."Some people only dream of angels, I held one in my arms."

*Kerri and Family,
We send our deepest sympathy,Prayers and thoughts to you and your family in this time..God bless you all!!*

WE LOVE YOU RY RY!!!! HUG AND KISSES!!!
