“ *Well this isn't goodbye babygirl, just see you later. Your passing hurt different, for a combination of reasons... your beautiful & young, your little girl you adored, you just had so much life left to give...to live!!!! I'll never understand. But I will ALWAYS remember you 5 years old, running to my car when I pulled up in the yard with your sissy Sierra <3 little mischievous smiles with so much energy an spunk. I was dating Daniel at the time and I was only 16 so I LOVED playing with you girls. I'll always remember you young. And I'm SO grateful I got to be with you an pray with you for a bit in your hours of transition to our Lord, you'll always be in my memories and I will tell your twin cousins about the first 'twins' of the Bruner clan, always💍❤️ I love you Samantha Marie. Always&Forever.*

“ Samantha, the first time I met you was at Sierra's baby shower and when you walked in the room, I was taken aback by your beauty. I'm so sad your baby sister won't get to meet you but I can't wait to tell her how strong and beautiful you were. You forever live in our hearts💕
