“ *Tonya Vieth sent a virtual gift in memory of Sandra Lee Pickard*

**Tonya Vieth** - August 15, 2020 at 05:26 PM

“ *Sandy could always make me laugh. I remember driving from Florida to Ohio with her and my mom. What a fun girls trip we had. We got to Atlanta and Sandy tightened her hands on the steering wheel and said, ok nobody breath, here we go, she was so nervous. We made it through Atlanta and I have those wonderful memories and many more to reflect on.*
