“ *It was a few days back in June of 2009 that I had the privilege of working along side of you during your FTO days. There was no doubt that you would turn out to become a Fantastic Deputy. You will never be forgotten by the countless brothers and sisters you leave behind at the Sheriff's Office. We all know, that you are watching over us from above. As the days go by, I am reminded of the meaning of Family. You have a big one. Rest easy Brother.*
