“ My thoughts and prayers to the Frick family. I know we haven't been in touch in the last few years, but being your friend since we 1st met in 1992 has never been lost. The fun we had was legendary, from our 4th off July camping trips to our working our asses off every Fri. Night. That loving pat on the back that always knocked whoever received it across the room. RIP dear friend, you will be missed by so many. Brian Glassel

“ Sean you will be greatly missed. I first met sean in 1987 when he lived on Taylor Avenue in Scranton. Sean threw awesome party's on Taylor ave..love to Sean's Parents for putting up with us. In the early 90's our group of friends helped start Royal Pizza, which Sean eventually became the owner of. They are still some of the best memory's I have. R.I.P Buddy.
