

## Shane Wood

November 17, 2012

Shane Cameron Lee Wood, 36, of Lehigh Acres died Saturday, November 17, 2012. He was born July 8, 1976, in Lansing, Michigan, the son of Linda Washburn and Douglas Wood. He loved music, swimming, horseback riding, and stories that made him giggle. He especially loved his teachers and friends at Beckman Center, a special handicapped school he attended from four years old until his graduation at 26 years old. He was well liked and won several first-place Special Olympics awards including the most popular student award when he graduated. He lived at home with his mother for another 10 years after he graduated from 26 to 36 years old. He lived with his family from the time he was born until his death. He moved to Lehigh Acres, FL, shortly after hurricane Charley. Despite the constant decline of his illness, he continued to fight and be strong. He touched many hearts and brought many to tears with his will, determination, and smile. He was well loved by his mother who never gave up despite the many challenges they faced. He is survived by his mother Linda Washburn, two brothers Terry and Shad Washburn, sister Katrina Washburn Ketchersid and husband John, two nephews Justice Washburn and Luke Ketchersid, and one niece Kiana Ketchersid. Donation for funeral expenses may be sent to his family Linda Washburn in Lehigh Acres.

“ My condolences and sympathy go out to you Linda. But most of all you have ALL of my respect as a "Wonderful Mother". I can't imagine what you are going through so I won't pretend that I do. Just want you to know that you are loved. Reva
